“ *This news has been absolutely heartbreaking for me. I feel so lucky to have known “Con-Con” and to have worked alongside her. I’ll always cherish those late nights when it was just the two of us holding down the service desk—we shared so many laughs and created memories I’ll never forget. The world has truly lost a kind, caring, giving, hardworking, and funny soul. She will be deeply missed.* ”

“ Connie Heaven has gained a real one! You were an amazing friend and a wonderful human being. I'll never forget cutting your hair in your room, karaoke on your front porch, band competitions where we coughed out lungs out on the buss due to color guards freeze it hairspray 😊, passing notes when we should have been studying. I'm sorry our adult lives took us in different directions but you will always be in my memories of our youth❤️ You were such a delight to call a friend on this earth. Rest easy, we'll sing karaoke again some day in heaven 🙏🕊️

“ *My heart sister,*

I'm so sorry. My heart breaks for your family. Your passing is a shock. I wished we gotten to know each other better. Even though I know you mostly from Tiffany, I felt a bond with you due to our shared experience.

You just gave me a candy cane and we had a quick chat. It's unbelievable that you're gone. You were a fighter. You were so strong. I admired you for that and I never got to tell you. I look at your desk and I'm overcome with sadness for your sister and all your friends and family. Rest in Love, warrior.

“Love Lives On”
by Unknown

“Those we love remain with us for love itself lives on, and cherished memories never fade because a loved one’s gone. Those we love can never be more than a thought apart, far as long as there is memory, they’ll live on in the heart.”

I will remember Constance for her infectious laugh, kindness, and her friendship! She was always a joyous spirit! Her memory will always live on in my heart! Prayers to her sweet family.
