“ I am so sorry to hear of your moms passing. I loved her and her energy. Always up to something fun with the kids. Loved going to the house for over nighters. We would be up at midnight and she would make us grilled cheese sandwiches with Velveta!!! Or run us around town. God Bless. Mark Bowman

“ Connie was full of life, love and laughter! I'm glad I had the privilege of knowing her and spending time with her. She was always so good to me while growing up in Salem and always included me in her family! She was a talented person who could do anything! Love and hugs, Kay

“*Connie was our family historian. She could rattle off dates and names that went back years, and kept all of her extended family close in her heart. She was my mom’s cousin, and everytime I talked to her she asked about my kids and grandkids. It amazed me how she kept track of all of us. Carol and Connie were 2 bright sparks in our family. I loved to hear them laugh, and they laughed A LOT. I know a piece of Connie died when her twin Carol left too soon, so Im sure there is some celebrating going on up there now. Im just so sorry I didnt get to see her one last time, but glad she drove up to Salem to meet up with us last summer.*
