“ To my friend Peggy; the children; grandchildren and all of Cordell's family. I am devastated to learn that my good ol buddy from HS has slipped away from us. But am Happy for him that he will not be in pain anymore. I had just learned a few days ago that he was not doing well. Cordell was one of the best people that I have known in my life. I cannot remember him ever being in any kind of mischief when we were teenagers and he has done such good with his life of preaching the Gospel and I do believe that he is one of those who lived what he preached; so I am not worried about him. My thoughts and Prayers are for his family and friends who will miss him so much! I had just had my 52nd reunion book out reminiscing about the last reunion which I was able to attend. Was so hoping I could come to the one next year and see all those who are so dear to me. I would come to the Visitation & funeral; but circumstances forbid it. I am not well & my car is WORSE!! Will have you folks in my thoughts & Prayers through this sad time. I pray that God will enclose each of you in his loving arms & help you through this difficult time. If there is anything that I can do to help ease your pain, please contact me at my e-mail!! In Christian Love, Anne Archer
