“ *My husband and I would like send prayers for the White family. My husband enjoyed Mr.Curtis company as they worked on a few things around his house one year. Curtis was one of the good ones. He was my driver almost everyday for a year. I loved how he would listen to only 92.9 on the radio especially at Christmas. He had lots of wisdom he bestowed to me. I will never forget are talks on them long rides sometimes all day rides. He will be missed and my heart and prayers go out to his family which I no he loved very very much.*

“ We were friends in our teenage years. We went to Northwood manor Baptist Church. My Dad was Pastor of that church. A group of us went to the San Jacinto River bridge on hwy 59, north of Houston. We decided to swim across the river. Curtis was scared to swim across, so me being a couple of years older, told him to go ahead, and if anything happened that I would swim out and get him. Sure enough, he got about a third of the way across, he went under. I went out to get him, but he fought me. I decided to go under him and put his feet on my shoulder. When we got about 15 feet from shore, my feet finally touched ground. When it was finally over, we were both very glad that it turned out well for both of us. Rest in Peace Curtis. I'll see ya' when I get there.
