“ *To: Barry and Sandy, Mary Catherine and family. I was a classmate and friend of David's and was a cousin to Bonnie... and am greatly saddened by his untimely passing. David and I knew each other for most of our lifetime. [at least from 5th grade on] and I can truly say that I never heard anyone say anything bad about him---tha is unusual for a boy; at least in our age group. I was distantly related to Bonnie but did not know her as well. The last time I can remember seeing either of them was at Slippery COC, at sometime before in about 1997, I guess. They were living on Slippery Creek and my sister & bro-in-law; L C & Edith James were attending Church there. It was the first I knew of David & Bonnie living on the Creek. We had a nice little visit after the service and I was 'fussing' on David because they didn't attend the class reunions... That was typical of him however; since he was a very quiet person and did not like crowds... I wish I could attend the funeral, but do not have reliable transportation and I am more than a yr older than David; so tend to not drive a lot these days. I will have all the family in my prayers during this difficult time. May God be with each of you and supply whatever need exists. Sincerely, Anne*
