“ Susan my dear friend. You and David have seen me through the loss of my Father to cancer and a lot of other stuff over the years. I am so glad we got to take him to a fancy hotel and the Lewis Black concert and all of the other stuff we did for his 60th this year. I will never forget the wonderful birthday you both gave me in March this year. Such wonderful friends. Please accept our deepest love and sympathy from Angela, William and Jason.
