“ I remember David Jimerson as a care free hard working young man from the Liberty Hill Community. It was a very close community and his family and my family were closer than kin folks. He always had a ready smile and he and my father shared a passion for fast cars. They both drove Fords (David went to Mercury later) and kept the "dust boiling" on those old gravel roads we lived on. He was a favorite in our small community, and will be missed. We treasure those memories.
