“ To God's garden you are surely bound,
So to sit with all the best. God saw you
getting tired,
When a cure was not to be. So He wrapped
his arms around you, and whispered, "come
to me."
You didn't deserve what you went through, So He gave you rest.
God's garden must be beautiful,
He only takes the best. RIP

“ David was lucky to race at a time when it was possible for the fans to get close to the racers at the track and he was always one of the most popular. He always took time for those who needed his help.
