“ *I also remember skipping school and going to the lake & jumping on a trampoline. Another time, we skipped school and went to the hickory hollow mall. We came out & the car was GONE! Dawn's mom found out what we were up too, and she came & got the car. Lol. We didn't know what too do. We ended up ME calling an ex-boyfriend to come get us, which we had to pay him 20.00. We never skipped school again. We had ALOT of good times. ALOT of laughter. We never ever got into an argument. I know she's a beautiful angel, now. She has her wings. Rest in peace, my friend. I will TRUELY miss you.*

“ *Dawn has been my good friend since the 8th grade. We had ALOT of good times. Once ( several) times, she would bring some wine in a coke bottle , too school. We drank it. We did not have the same classes, tho. I had music. I remember drinking the wine. Going to music class, singing all the way. Got in trouble, so...i sang myself right out into the hallway. Lol. Silly stuff like that. We were a mess. I will miss her dearly. RIP my dear friend. You will be missed.*
