“ Jessica, April, Shannon, and Vickie - I am so very sorry for your loss. When I think of your mom, I remember those times where we had to go to school and help our parents clean. Because of the work we did, I became a master at using the swivel dust mop. (Chris hates that he can't do it.) However, I never learned how to use the buffer. It always got away from me.

Sending you all lots of love and prayers to make it through this difficult time.
