“ *Debbie was such a sweet person. I remember going home with her when they had the store. Melissa would keep us up on what was going on. I know Debbie loved her dearly. I was so sorry to hear she had been sick for such a long time. Debbie had one of the biggest hearts of anyone I have ever know. I feel sure she is in heaven and better than she has ever been. God Bless Roger, Melissa and all the loved ones she left behind.*

“ Dear Debbie,
Josh & I don't know what we will do without you. Especially, your boy, your nephew, Josh. Everyone, I have to share this true story with you about Debbie checking me out for the good of Josh. Josh & I had just been together a little while & Debbie calls me to go out one Saturday to go shopping, go antiquing, and go to the annual Centerville arts & craft fair. Yes, I am all excited & tell her yes, and can't wait thinking "YES" I am being excepted into the family because Aunt Debbie called me. She was the one you had to get approval from....hahahahhaah...I didn't realize until I got home she was testing me, checking me out to see if I were good enough for her "JOSH." Not just anyone would be good enough to be with her boy! I think I passed the test because we have been together for over 10 years now. But, God love her heart for checking me out. It just proved to me the love she had in her heart for her family & anyone she knew & loved. Our family will never be the same without hearing her sweet voice coming in the door at our family dinners, or seeing her sweet smile, or seeing her happy/smiling face. Debbie we will miss you something awful, but are glad to know you are the angel now looking down, and watching over us! We love you dearly sweet, loving & beautiful Aunt Debbie! Josh & Sonya Gibson

“ *I have memories with Debbie back to 4th grade. I loved that she was so tough and determined about things. She always had pretty fingernails. She loved her sister, Melissa, and the children. She loved her dogs. She loved and adored Roger nearly as long as I can remember. I am so sad that she had to leave and that the last 2 years have been such a trial. I never drive down I40 or across by Only that I don't think of her. I never will. I have loved you Debbie.*
