“ *Diana was my cousins wife. She was always so loving kind and compassionate. I remember at my baby shower 21 yrs ago she sat in the floor and played with all the babies. We were candy crush buddies. Diana you will forever be missed ❤️ Prayers to your family*

“ I am heart broken to hear your gone. We had talked many times about meeting for the first time and I had it worked out to meet this summer. You always made me feel loved and wanted. You told me my adoption never changed the fact that you loved me and you were my cuz. You and Aunt Betty always made sure I knew I was loved. I know heaven is beautiful not gonna lie this hurts but I know your in a better place. To the family Diana was an amazing lady and will be greatly missed by many. I am going to try to make it there but if I can't please know you are in my thoughts and prayers. Love
