“ I knew Diane when we were both quite young. I am some older than she, but we were @ LC School at the same time she in 'Grammar'- I in HS and then I knew her slightly some years later when I lived in LC for awhile; I knew her dad well and send so much loving support to him and the entire family. So much grief in such a short space of time can only be comforted by our Heavenly Father and I pray that he envelopes all of you in his love during these trying days. Diane will be re-united with Bonnie now; so they can watch out for all of you. In Christian Love, Anne
