My heart is heavy with grief upon hearing of the loss of another one of my beloved sisters. My sympathies go out to Darren, Deena, Donald, and her grandchildren, whom she loved dearly.

My mind is filled with memories that we shared as siblings while growing up, and the wonderful times we shared at our family reunions. I know the suffering she has gone through these past few years and pray that she is finding rest and peace at last in the arms of our loving Savior. Loved you Sis.....

My thoughts and prayers are with all of you in the loss of Dianna. I remember the Rolla years where we worshiped together at the Rolla Church of Christ and the sadness we all shared at the loss of Donalee. I especially recall the service: so many came to honor the short life of a special young lady.
