“ *Dianne welch was a special woman and a sister I am going to miss her the rest of my life she love her kids and her grandbabys . She would do anything for anybody her door was always open. She love birds and gold fish she had tanks of fish she had this one bird he was never in a cage his name is riley he is a cockatoo we couldn't talk on the phone for him it made me mad because Dianne wasn't talking to him .Dianne was a very good person and she is already and going to be miss so so bad .*
