“ *Mr. Cash was my 7th grade Science teacher. A very intelligent man, with a really good sense of humor. It was a dry sense of humor, but when you understood what he was up to, it was so funny. I'll never forget during my Senior year, Mr. Cash attended the FFA banquet, and he told me how proud of me that he was. To this day, that compliment is one that I'll always cherish. I'll be praying for Todd, and his family.*

“ *Mr. Cash was my Father, my Mentor, my Supporter, my Hero!! He's the Smartest and Toughest Man I've ever known. Always proud of my Dad in every setting, in every situation. To work with my Dad was the best way to know him, and He so Loved hard work. He can rest now from his long life of hard work and meet his Beloved Maker and Savior in Heaven. Will miss him so Much!!!!*
