“ *To the entire Garrison family. I send sincere sympathy and Prayers, during this tiring time. I did not know Donnie, except as a small boy. But knew his older siblings. AND knew both his father & mother. I am a sister of Martha & Edith James; so knew Mrs. Garrison for most of my life. I think I am close in age to Donnie's brother JW. I lost my youngest brother; Jerry Wayne Whitehead; just last week, so know whay you siblings are having to deal with. Put your faith in the Lord and Pray for his condolence..is my best advice for getting through this. In Christian Love, Anne*
