“ Don was my first friend when I was a small boy and my family moved to Hohenwald. He was a big influence on my life and I am greatly saddened by his passing. My condolences to Don's family, and to the Lewis County community, which lost a cherished son. Don's voice and influence will be missed. I'm glad to have known him as a friend and will miss him greatly. - Brian Weeks

“ All of us who had the privilege of getting to know Don Jones are heart-broken over the loss of such a unique man. I am so glad our paths crossed back in 1998, I have been blessed by him -he helped me so much in a career change that changed my life. I will always give Don Jones credit for helping me. I am going to miss reading his articles in the newspaper-they made a smile come to your face! For a man to have all this knowledge on a variety of issues, he was never boastful and what a great listener! Heartfelt sympathy to the family & all his many friends. You will be missed, Don Jones.

“ *The day we stepped in the Cumberland Presbyterian Church, was the day I knew where I would be going as long as Aron was there. He listened to me cry, gave me advise on many things, baptized my youngest child and was truly a nam of God. Rest In Peace. We love you. The Chapman’s*
