“ I used to work with Donald at Buffalo River Services.If I had to run errands,go to the grocery store and pick up supplies.He always went with me.The day I drove my truck to work.And he would be sitting at the window watching for me to come into work and he would announce to the others there. There she comes and they would ask him who was it Connie truck and start laughing.He loved picking on me.I enjoyed my years with him.He was a special person to me.He loved Snowbird on Channel 4 News.So the workers had been trying to win him one.And I called one morning up there got through and won him a stuffed Snowbird and they day I gave it to him.He was on cloud nine and laughing and telling everybody about Snowbird that I got it for him.I have alot of memories of Donald.I love you and you will be missed by everybody that knew you.RIP my Angel
