“ I remember running around in the basement playing hide n seek with Layne and my brother Tony and trying not to get in trouble because we all drove Donna crazy getting into everything 😊 I have very fond memories of Donna I would visit and we would talk about life and I really enjoyed every moment with her. I love her very much and will miss her and she will always live in my heart. My heart goes out to my step mom Charlotte, Layne, Bubba Tony, Michelle, Jimmy, Bubba Rich. I'm here for you all, I love y'all very much!
