“ *The Porter Family is saddened to hear of Dorene's passing. Dorene was a light in so many families' lives. As with so many, she cared for and became a friend to our Dad, Ray Porter, in his final chapter of life, which ended in January of this year. Dorene was a professional who was sympathetic, empathetic, understanding, and yet disciplined to provide physical, emotional and spiritual support. She recently called me by accident as I must still be in her phone contacts, as she is still in my contact list. We laughed and then shared updates with one another. We will miss her and send our condolences to Shannon and all the family.*

“ *I came to know Dorene from the wonderful care she gave my father-in-law during the last years of his life. She was a true gift to our family, as she was not only attentive to Dad's needs physically, but she kept his spirits high with her great sense of humor and wonderful companionship. Our family grew to love Dorene and admired her ability to light up a room with her infectious laugh. She was a bright light on this earth and I feel fortunate to have known her.*

*My sincere condolences to Dorene's family,
Deb Porter*
