“ *Earline was such a kind and caring person and a hard-worker like her mother. I guess she started her nursing career at home helping to take care of her uncles, JD and WT. She was such a calm person. Praying for all the family during another difficult loss. May wonderful memories bring smiles with your tears. Praying for you all. Rita Weatherspoon Ivey*

“ I remember how calm and cool Earline was when she showed me the ropes in surgery working with Dr. Elrod and Holladay 35 years ago. She was never intimidated by the surgeon and I wanted to be cool just like her! My name is right beside hers on the "years of service" board at the hospital, and I couldn't be prouder to have served with her. As a side note, I am so happy Bill married her so she could keep him in check...sometimes.
