“ Dear Family,  
I wish to express my condolences on the passing, from this life to the next, of your precious Edd, (Ernest). It was my honor to share a microphone on many occasions as Kernel Dave and I joined with Ernest to share some great music with the senior folks in Middle Tennessee. I love the fact that the Lord sent such a remarkable servant of mankind to grace the lives of your family, the community and his fellow soldiers. I loved the fact that though he was fighting cancer, he continued to smile, rejoice, and count blessings. A friend in Columbia (from Howenwald), told me that Ernest was the James Patterson of Howenwald. I can think of no greater complement to validate the servant heart of a good man. May the Lord bless you all on this journey and remember that God always heals broken hearts.

“ We met Ernest this summer singing at one of the nursing homes with my brother Kernel Dave, while we were visiting Tennessee. A very sweet and talented man that shared his singing with everyone. I'm sure he will be missed by many people. He can now sing with the angels!!

“ Some called him Ernest and some called him Edd I called him Friend .He was always ready to sing and and give a funny story to the residents that we visited,He was the most patriotic person I have ever met. On our way to the homes that we sing at he would look at there Flag and tell me that the American Flag was on the wrong side if more then one pole was there, and if we where eating dinner at a restaurant before singing and saw another VET he would go over and tell them how proud he was of them for serving.
