“ I wasn't but about 12 or 13 years old when I got a notion to run away from home so I road my motorcycle to Grandmas Scott's house and Gene made me call Moma as soon as I pulled up. Man what a whooping I got that night!! I'm proud to be named after Gene and Grandpa Scott!! Both great men and hard shoes to fill! While I wheep for the family, I rejoice in the thought of Gene and Granma and Grandpa being together in paradise!! You will be missed by many!!
