All I can think about today is how Ed cared for Emma. Ed would bring Emma to dance class several days out of the week for years. He would make sure she was on time and he would sit in the parking lot waiting for her to finish her classes for hours. Through every force of nature, rain, storms, and the heat and cold. Ed was a great father figure and a light in the world. He will be missed greatly.

Our prayers and thoughts are with Ed and his family. 🥺😭🙏

“ Ed and I worked together for 19 years, I always called him Edward lol. I use to laugh at him when he would come to my office and I had the radio on I would say name that song, we would get tickled when he couldn't. He was a great man and friend, he will truly be missed. Linda and him are the two hardest working people I have met. Prayers for the family. May God lay his hands upon your heavy heart and help you through this time of your lose.

I'm still in shock. I really don't know where to begin. Ed was one of the BEST. Very kind hearted. Always try to please every. I worked with him & Rusty Graves for 7 years @ BVI never a dull moment. I could get so mad @ work & Ed could always make me laugh. Ed & his brother Mike was always cutting up @ work. They kept my laughing so hard i would cry. I miss those days. I have lost a true friend. May God rap his arms around this beautiful family especially his wife, Linda, his brother, Mike & Miss Emma! Ed u may be gone but u will never be forgotten. RIP My True Friend!
