“ *I miss you with every beat of my heart. I think about you everyday and say I need to call and talk with you but can't because you are my angel now in heaven. Wednesday has been 4 weeks since god took you home and I watched that video that Nina made me and cried for awhile. Just wishing I could have spent one more day with you. I love and miss you so deeply. But I know in my heart you are with me everyday. God only takes the best and he said you where tired and it was time to go. I Love You !!!! Hugs and Kisses !!!!!*
