“ At 36, Beth was beautiful, talented, a great cook, a fabulous mother to the two little girls she had been a nanny for 9 years, an excellent sister - did everything for and worried over her two baby sisters, she kept a beautiful home, was so funny and charming and witty. She was so amazing. She had this beautiful head of hair, long, wavy and brown. Her eyes were dark, like coffee beans. She had the most beautiful hands. I will miss her. God is so good to all of us, let us offer up a prayer of thanksgiving to him for all that we have. I love you Bethy, Rhea
