“ To all the Duncan children and to T B Gordon: I am so sorry to learn of Pauline's death. Haven't seen her in years, but this photo is certainly a good likeness.She was a very beautiful lady and always so friendly. I have known her for most of my life. did not know any of her children well; but One of her sons joined the Navy he same time as my nephew Donald Duncan and she and I talked about them when we would see each other. I knew all of her Fall's Branch family and they are good people. Wish I could be with you all for this sad day, but cannot drive in this "mess" we have right now. Will have all of you in my prayers and my thoughts through this trying time.
