“ *I still can't believe it. You're best friend, who was more like your brother, (jonathan) is lost and taking this extremely hard. Which I know everyone and anyone who knew you is taking this extremely hard. But while you watch over your family please watch over j too as well as the rest of your friends. Things won't ever be the same with you gone. Rest in peace chase. I get a sense of relief in one sense to know that you have been reunited with your mama and Grayce*
