“ you were truly to good for this world. You’ve cheered me up time and time again when I cried . You have taught me so much , you and Memaw have shown me true love even when I stressed y’all out , you showed me how a man should treat a woman , you’ve taught me so many things , I’m so upset and heartbroken and curious as to why you had to go , but I’m so thankful I was such a big part of your life ☐ I never knew you were so so proud of me, you’d tell me you were but it made my heart melt even bigger when people from your work told me , you would come in bragging about me. Like I’ve stated before If someone had a bad story to tell about you they were lieing. I could go on and on about all the memories , I’d have a book by the time I got done. Your girls love you , 2 ☐

“ I have so many wonderful memories with my Dad. As a kid I was ALWAYS Daddy's girl. I only wish I had more time with him as an adult. His smile, his laugh and his hugs always made things seem better. I love you Daddy!

“ Ernest was a very special guy, and he will be missed. We had a great working relationship with him. He always took care of us and we were blessed to know him. We worked on several projects over the years, but one of his last jobs was helping us get our courtyard planned out. When we go out there, we will always remember him.
