My dad, Bill Parker, (Billy Joe), and Glenn were childhood friends and stayed in contact over the years. I know Glenn would call my dad when he was unable to really communicate, but my dad would always laugh and smile when he heard Glenn's voice. My dad talked so highly of Glenn and loved sharing the many memories they had as kids. I'm sure they're together again and having a good ole time. God Bless to join all.

Thoughts of peace and blessings are sent to the family of Glenn. I have very positive memories of him and his family from school years long ago.
