“ *Every time I hear your name, tears fall. Often a bright memory crosses my mind, and I whisper your name and smile. Sometimes the tears and smiles come together. I'll never get over missing you, not ever. Life is such a bitter drink sometimes.*

“ *I couldn't ask for a better brother I had the best. He was a loving caring man and loved and took care of his family, pets, friends and country. I couldn't be prouder or more devastated I'm not sure how we go on without him or fill the hole in our hearts. He appeared to be the picture of health so do yourself and family a favor and get checked out something good must come from this tragedy.*
