“ Up until 33 years ago I had not seen my Uncle Frank. I'm so grateful to God that last sept, 2016 that I seen him for family reunion. Then again this year in Sept. I talked to him and Pat 3-4 Times a week or more when possible, he became "Daddy" to me. I slipt a lot and called him "Daddy". He assured me it was an honor to be called that. After all, he is my daddy's brother. I loved him beyond measure and with gratitude I thank God for allowing me him. Uncle Frank thank u for beautiful memories in my childhood and in past 2 years. You sure did slip into daddy's shoes. Kiss daddy and moma and granny and all our loved ones. I will forever miss you till I come to your new heavenly home to see you again. I love you "Little Vickie"
