“ I'll always remember Art with that big smile (only a crocodile could show more teeth)! Art was always pleasant, friendly and comfortable to be around. His passing is a tragic loss. Art was a man of faith, praise the Lord !

“ Art, I am glad that you are no longer in pain and had the trip of a lifetime; but I really miss you a lot. You were always content and smiling. Love Sandi

“ Dear Sharon & Family, we are so sorry to hear about Art. He was such a great guy. Tom would always talk and laugh about Art after Deer Hunting Camp, always enjoyed the stories. I remember him saying it just didn't seem the same when Art wasn't there. That's how much his presence meant to people. May you find peace, love, and comfort in your great memories of Art. Our thoughts and prayers are with you and your family. He will be truly missed by all. God Bless, Love Tom & Linda

“ I remember: Dancing to *The Britins*. Finagling dinner invitations so we could enjoy his fantastic cooking. Talking Sharon into "keeping" Art instead of Harvey. Art & Sharon's wedding the week after ours. The many barns that Art built. Art putting a new roof on our first home in Franklin. Sitting on the swing in the gazebo and making fun of Chuck, Jim and Matthew. Making Art laugh so hard that he would snort. I think I'll miss that snort more than anything else.

“ Sandi, I am so sorry for your loss of Art. Even though I have never met him, I know how much he mean't to you. What a wonderful picture you have shared of him - with such kindly eyes and wonderful smile. I am sure he will be with you and your family always - in your hearts and in your memories. Just to know his suffering is now over and his real life begins. May God bless you and your family and grant you peace. Joan
