“ I loved Mama Freda and Charlie for years. We met at the Bon Aqua
Hoedown and loved them for years. When Charlie died she still
came to the hoedown. I visited her several times at her home. She
always brought me gifts like flowers and pins. She was one of the
sweetest friends I will ever have. She always loved the song Blue
Roses. She had blue roses made for me. She will be sadly missed. I
wish I could have kept up with her but it was hard to do. I didn't
always have her phone number. I hope she never forgot about me.
