“ I had the pleasure of being roommates with Geoff and Elisha for a short period of time and they both were just the the sweetest. Geoff had my back when a bad situation arose. He was always tellings us different concoctions he had come up with. I haven't seen either since I left that day and moved out of Hickman but he and Elisha left a lasting impression on me. Another one gone too soon! RIP my ole friend!

“ *Geoff was my best friend my first love. He held a special place in my heart and now he has taken it with him to earn his wings. It's been so long since we actually spoke but we both knew we cared and still loved each other. Now time to go fishing with your dad and mine and tell stories of all the years we shared together. Fly high and everytime I see a red tailed hawk I will know its you watching over us.* ”

“ *Way too many memories to list just one. From the years spent working together, to the field parties to celebrate our bday, to the Tom Petty concert.. so many memories of such a good guy. He's sorely missed already and will be forever. I'm praying hard for his family and will continue to do so. Fly high my friend. Till we meet again. ♥*
