“ Go rest high on that sunny, glorious, mountain top; Kenneth. I know you are. We have been blessed all my life and my mothers life and my Granny Sarah's life with the best neighbors possible. Kenneth always greeted everyone with a happy smile and an altruistic, helping, loving spirit in his heart. ❤️

Granny Sarah is a little older than him. Kenneth said that Granny Sarah was the one that sat with him on the bus to go to Kindergarten and it gave him a safe, secure feeling about getting on the bus the first time and attending school. There's nothing Kenneth would not be willing to help with; if needed be. An amazing neighbor and it was great to go to church with He and his family at Mars Hill CoC. We had a wonderful time working in tobacco with him in the summers from 1988-1993. He always used his tractor to pull us out if were stuck. He was always there with a smile and an enthusiastic attitude to help with anything. We will continue to keep watch over, and help your son Kenny any way we are able.

We love you, Kenneth. We will miss you; but we know it was time for you to fly away to be with your wife Louise and Granny Sarah, Frances, Henry Lee and many others now. ❤️
