“ *I'm sorry I didn't get to come to the burial. I remember spending the night at Mama Chessor's and Aunt Georgia singing Christmas carols and playing the piano. I also spent a few days at her house when Andy and Lisa were little. During summer vacation I think. She always cooked a big breakfast. Also remember all the family holidays at Mama Chessor's.*

“ I have known Georgia since starting in 2004 at Harvill & Assoc. as a new attorney. She taught us all so much at the office and was continuously learning in her profession as a legal assistant. She loved English and grammar and was a natural at her job. She was a true employee advocate at the office and would always speak up. Georgia took her profession seriously and was respected by attorneys, co-workers, and clients.

If you knew Georgia, you knew that her children, grandchildren and great-grandchildren were her priority. She really enjoyed her grandchildren especially and was thankful for their close relationship with her.

Georgia was an advocate and support for many things she believed in - Centerville Church of Christ, The Humane Society, American Cancer Society, and Women Are Safe to name a few.

Georgia was truly one-of-a-kind. She was a good friend and advisor to all of us and will be missed.

“ Georgia welcomed me with open arms back in 1980. I was a young lawyer, just beginning my practice, and she was an expert at estates, which was one of the primary focuses of our practice. She gladly shared that knowledge with me for over 20 years.

Georgia Moss and Imogene Smith surely were good at training a “wet behind the ears” lawyer!

Georgia was kind, thoughtful, and was a consummate professional in serving our clients.

She was a leader in our office, and always made certain that our clients received the highest quality services.

We always looked forward to her Christmas parties, which she gracefully hosted.

I am grateful for her service to our law office, and I will miss her fondly as my dear friend, both inside and outside the law office.
