Gerry was such a special lady.. She always hugged and kissed me when we came in contact. She would be in pain and still give me a smile. Robin, my sympathy to you in the loss of Gerry. I am so sorry I did not know she passed away til now.. Till we meet in heaven , see you later Gerry.

“ *I was going through a rough time in my life I lived with my Papoo and Gerry and went to Columbia state coll and joined tn national guard. Gerry helped with me studying for test, tn drivers license and even was moral support to me while I learned to drive a stick shift . I can still see me jerking stick shift and her jerking as well. Laughing and being so encouraging . She was always that way. So many memories of her race through my mind. Gerry I love you and already Miss you. No more pain . Rest "Gigi" rest . Until we meet again sweet Gerry . See you on heaven. Xoxo robin*
