*We met in the grocery store in the generic garbage bags... Struck up a conversation - she and Garry, my husband and I. They visited our church, we started visiting - Stephanie (hers) and Alex (mine) was 2-3. We became very dear friends, needless to say. I look forward to seeing her in heaven, I know she's there. I will miss her badly until that day... my true friend, my precious friend. I love you, Genda, always will.*
