“ *Glenda will always have a special place in my heart. She came into my life as a care give and became a family member. We had a lot of good times and confided in each other. I love Glenda, I have lost a special friend.*

“ *I am so sad to learn of Glenda's passing! She was a dear and lovely person with a smile always, friendly, outgoing, personable! I worked with Glenda in the early 1980's at Dee Cee Manufacturing Co. in Hohenwald and we've been close friends since. I had seen her on Main Street in Hohenwald at Octoberfest last fall and took pictures of her. I will miss seeing her here and yonder. She loved her family and life! My deepest sympathies for her entire family and many friends!*

“ Ms. Glenda, you were a very sweet and kind person to work with. You had a special way of taking care of your pt.s that showed when you trained me. When I heard you were sick I added your name to our prayer request, then with your passing I let them (people who had prayed) know that you had passed but that the Lord did answer our prayer for your healing. That he healed you more perfectly than we could have ever thought! Im glad i got the chance to know you. You will be missed.
