“ *My memories of Aunt Glenna are filled with laughter. When my Mom and her sisters were together the room was full of chatter and laughter. Aunt Glenna was right in the middle with her bright smile and equally bright red hair.*

“ *Going to Aunt Glenna's when I was a kid meant fun cousins to play with, fishing trips, fish fries. So much fun. Great memories. We all spent a week "down on the river" one summer. Best times were had around her.*

“ So sorry to hear of Aunt Glenna's passing. I felt blessed by my Aunts. I loved seeing the sisters all together and watch their happy smiling faces and hear their laughter. It is a sad thing to loose these sweet women. Prayers for all of her family.
