“ *Glinda was like a second grandmother to me , she was such a sweet lady with a heart of gold filled with compassion for others , Glinda was one of a kinda , a nurse who taught me many things in the time we worked together at Maury Regional , I know Glinda is in a better place in her forever Heavenly home and is with our Lord and Savior Jesus , to her family in mourning: just know she’s always watching over each of you and that she loved y’all more than anything in the world !*

During this difficult time pray and cling close to God for comfort because that’s not only I think she’d want you todo but I know personally God will take care of you ! God Bless and thank you for sharing such an amazing person with me

“ My sweet childhood friend. The many hours of watching Dark Shadows and drinking strawberry kool-aid, trying our first cigarette, talking about the Griffith boys, Sanders boys, basketball, and all the fun things 2 preteen girls would do in the early 70's! We lost track as the years rolled by and we grew up and away from Littlelot Road. I saw you 6 yrs ago when Dad died and you came to pay your respects. Thank you for being such a big part of my childhood. With your passing, another peice of my childhood has died. Rest easy my friend.
