“ I just learned of Greg passing. He was my best friend and always made me laugh. He always had the craziest ideas like playing hide and go seek in Walmart at 2am. I wish we didn't lose touch. You will always hold a special place in my heart friend. Your friend Richard

“ First time I met him he struck me as being painfully shy and I instantly knew we were going to be friends. I found out later he was just an observant fellow. While I hate we didn't get to spend more time together I'm grateful for every moment I got to spend with him. He was a quiet, strong guy that I will never forget. Always in my hear my friend.
