“ Dear Dodi,  
*I have only this week discovered the news of Bill's passing. I hope you remember you and Bill were both important to me at Immanuel. Those were the days. With all the moving we all did, somehow we lost each other and I was so sorry for that. I very much enjoyed working with Bill at Immanuel, and I learned so many things from him.*  
*I would love to be in touch with you and catch up on all (or some) that has happened in the years since we both left Tallahassee.*  
*Much love to you.*

*Mrs. Lovett*  
*You and family are in my prayers today. It is not rare for you to be on my mind. Today I looked for you and found dear Bills obituary. I learned so much as a teen in your home and he helped set the pattern for my prayers for a husband. I learned more than biology and art from your family I learned the practice of Christian marriage. Thank you both.*
