“ Although I only knew Harley a short time, the bond that we had was strong. Even though he was my brother-in-law.. he was like a real brother to me. Rest in peace my brother.

“ *Harley was a special man to many of us and we shared laughs and tears. My prayers are for his wife and family. As for Harley,he is breathing well now and at peace. I am sure he is watching [he said he would] and smiling that smile of his. Thanks Harley for being a part of our life*
