“ *My friend of over sixty years, our times at the Hickman County Times and the times we spent chasing rabbits all over the county with our favorite jump dog Spot. May you always hear the music of the chase. Rest in peace my friend.*

“ *There are so many good memories of Harold his and family. It has always been a special day to be in his company. He shared his goodness and made us all want to be better. He left his footprint on our minds and hearts and he will be missed but never forgotten. We hope that Nicky, Greta and Natalie and their families will feel the love and prayers to comfort them.*

“ **Harold was the most easy-natured and positive individual I have known. He always had a smile and kind word for me every time. He will be so missed by his family. Harold was full of goodwill and a wonderful example every day. Thinking of Nicky, Natalie and Greta in coming days and sending much solace and comfort.*
