“ *I won't be able to be there in person tomorrow, but I will be there in spirit. My heart hurts for all of you as you have lost your daughter, your sister, your mother, your wife, your friend etc. I pray that God's peace reaches each of you in a special way and you feel His arms tonight and tomorrow and throughout. I love you, Heather! I am so thankful that we 'reconnected' on facebook. I await for the time when we can be together again!*

“ I will always remember you niece. And that God awful purple dress I bought for you when you were a little girl. I'm amazed it didn't stunt your growth. To your little demanding voice of wanting a cabbage patch kid and a care bear. Lee and I will miss you greatly. I know you are no longer in pain. That's the only consolation there is. Hugs to all in Hohenwald. Especially Danny...

“ Dearest friends~ Bill, Pam, and Family,

*We were heart broken when we heard of Heather leaving so young. We will never forget when she came and stayed with us in '96 for several days when we pastored in Louisiana. Heather was a special lady! And she was truly a child of God. Our thoughts and prayers are with you all, more-so during this time of grief and sadness. We love you.*

“ This past summer we were at a family Memorial Day Pool party at Jason and Rhonda's. I commented on Heather's bright yellow sundress. She gave it to me on the spot. I will cherish that yellow sundress while having fond memories of that day and the fun we had. Although I only knew Heather for a short amount of time, I loved her instantly. Rest in Peace sweet angel and know that you are loved and will be missed.
