“ *Henrietta was an exceptional neighbor to our family for over four decades in Grinders Switch...she was a solid rock and so dependable. We loved her dearly. She carried a bright Christian light still shining. I wrote to her often, and we were lifelong friends. Henrietta always traveled a 'long extra mile.' When she taught the 4 year old Sunday School class at CCOC, my son Michael visited often. He was present on Easter Sunday when she handed every child in class a fully loaded Easter basket. Henrietta was 'one in a million', and I count her as a friend forevermore.**

“ *Henrietta's middle name says it all -- she was that rare jewel as a person. Even though we've been away from the Centerville church of Christ since 2006 she never failed to write us a kind letter every Christmas. She was a wonderful example of faithfulness to our Lord and His church. "She being dead yet speaketh." --Dan and Nita Buie & Mark Vaughn*

“ I have known Ms Henri my entire life. Her family lived across the road from my brother, Chris, and I. I never knew her middle name was Jewell, but what a jewel she was. Jewel fits her perfectly. She always had the best hugs and those shining bright eyes when she saw you coming. RIP Ms Henri. We love 💜 you and will miss your sweet smile and hugs. We will always love and miss you!

“ *This was the last picture I got of me and Mrs Henrietta she was my day school teacher while growing up and a friend to my family. I always enjoyed keeping her company at church or saying hello while bumping into her at the store. I loved her just like a grandmother she was a wonderful and the most sweetest person you could ever come across. I know you fought a long battle with cancer and I know you are at peace and keeping my granny Elsie company while you both fly high in the heavens. I love and I'm going to miss you so much prayers for you and your family.*
