“ *Melissa, I want you to know your family are in prayer. May God just wrap his arms around you all and give you the peace that passes all we could ever understand. And know that this is not the end.. He is waiting for all of you one day. Know that he is not in any pain or suffering and actually up there being happy as ever. I know its hard for us to understand but one day we will. Please know you all are so loved and will be continued to be prayed for. Love you all - In christ!*

“ Grandpa, I will never forget you and all the good times we had together. I remember in the summer I would always go over to your house and spend all day there. In the morning you would cook breakfast and say something is cold or something was over-cooked. Then right when I got there the breakfast was ready and he was always nice enough to cook Mom or Rob a bacon or sausage biscuit. At lunchtime we usually went to little caesars ( Pizza Place ) to get well... PIZZA! Or maybe sometimes we didn't feel like eating pizza, we ate Fried chicken from Wal-Mart. After eating lunch we would usually watch " Who Wants To Be A Millionaire " ( trivia game ) and shout answers at the television. Next at 1 o clock we watched " Walker Texas Ranger " which we BOTH enjoyed. Finally, my mom would come pick me up and do it all again the next day. We also LOVED to fish! He helped me get my biggest fish yet weighing in at 11 lbs 11 ounces. I battled the fish and almost fell out of the boat, but I let him take the rod and bring him in. He said I caught the fish , but anybody who asked I mentioned him in my fishing story too. Long story short I had alot of memories with my grandpa and I will never forget them for the rest of my life. I love you Grandpa!

“ Melissa, Bill & are so very sorry for your loss. We love you as if you were our family member. We know your heart is broken. We know you have such a sweet spirit. You now have the peace of knowing your Father is no longer in pain. We know how much you requested prayers for him. God was ready to call him home. His pain & suffering is over. We know your heart aches. The day is coming when you will be able to see him again. You can sit & talk for ten thousand years. That will be a Great Reunion Day. During this time of saddness you are not alone. You & your family remain in our prayers. All our love, Bill & Lisa Tice

“ I was in shock to learn of Bud's passing, when I read the e-mail from Richard Tate earlier today. It hit me like a brick because only two days ago while paying bills, I thought about when I met Faye Peery Toney's daughter at the electric company when I had gone there to pay a bill and thought that I would look up her number and call and ask her about Buddy, because I had not heard anything from him since I saw him at Faye's visitation. When I was working at State Government; in an office on 6th Ave NO. several years ago I learned that Bud was the manager of a grocery next door to the bank where I did my banking. I began dropping into the store to purchase a snack or soda every now and then just to say hello to Bud and reminisce about the 'Good old days' at Bethel School on Cathey's Creek. Bud's maternal Gparents were our closest neighbors on the creek in those days and they were great people. Buddy & I enjoyed reminiscing about the times we had back then. His brother Kenneth and I began school together and were the only 2 in our class for at least 3 years. I am so sorry for this family's loss. I know that most of you do not know who I am but just know that I knew your dad & Grandfather for many years amd always thought of him as a friend and a very likeable person. May God wrap each of you in his loving arms and help you through this trying time. Linda, I will try to see you the next time I come to the Creek to visit with Martha and her family. I will have all of you in my Prayers throughout this time of sorrow and I am so sorry for your loss. In Christian Love, Anne

“ Daddy I loved you more than you will ever know. You were always so good to me even when I probably didnt deserve it. I am forever grateful, even in your sickness, God granted me the blessing of having you in our home where you were loved and taken care of. We had alot of good food and good jokes! You made it through alot of hard times but in the end when it was your time to leave your earthly shell you were surrounded by family who loved you who shouted praises to heaven even as you took your last breath. Thank you Lord for an unspeakable gift. I'll miss you always
